DIRECTIONS XANATSENI PRIVATE CAMP

If you are self-driving, please allow adequate time to reach Xanatseni Private Camp– It is recommended that you arrive by 13:30 (earliest check-in at 12:00). We serve lunch at 14:00 and game drive goes out at between 15:30 – 16:00.

When driving from any Kruger camp in the Kruger National Park, please remember that there is no direct access to Xanatseni Private Camp from within the Kruger. You will have to exit the Kruger Park at any of their gates and enter through the Timbavati Gate/Enkhulu Gate.

There is no access to the Klaserie Private Nature Reserve from Kruger's Orpen Gate (although it looks that way on a map or GPS), so you do need to go back to the main R40 road and then turn off to pass the Eastgate Airport to get to the main gate to the Klaserie Private Nature Reserve. Allow 2 hours to drive from Orpen Gate to Xanatseni Private Camp.

When you enter the reserve, continue straight with the tar road until you see the Xanatseni sign board. It might feel that you don't see it, but continue straight. (+-22km)

PLEASE DO NOT FOLLOW THE GPS.

Remember ALWAYS to enquire about our self-drive directions to camp. We do not recommend following the GPS/SATNAV because it will lead you to the wrong roads
